Monex Credit Company

Entity Certification and Authorization

I/We, the undersigned certify that the entity named _____ ("Entity") is a Corporation, Limited Liability Company (LLC), or Partnership, organized and in good standing under the laws of _____. I /We further certify that the governing documents and policies of the Entity now in effect, and/or current law, confer upon Entity, and the undersigned persons on Entity's behalf, the powers and authority to open and maintain accounts with Monex Deposit Company ("MDC") and Monex Credit Company ("MCC") (collectively "Monex") and buy and sell precious metals for the account of Entity. Such authority includes the power to deposit into and withdraw from Entity's accounts with Monex, and to transfer to and receive from Monex, Entity's money and precious metals.

In addition, I/We further certify that if Entity opens an Atlas Account with Monex, Entity's governing documents and/or applicable law confer upon the undersigned the power and authority, on behalf of Entity, to execute the MDC Purchase and Sale Agreement and the MCC Loan, Security and Storage Agreement, to accept and undertake all risks and obligations stated in those agreements, and to execute all other documents that may be required by Monex.

The undersigned represent and agree that Monex is authorized for all purposes regarding Entity's accounts to follow the instructions of any one of the undersigned at any time. Monex shall, without inquiry, be entitled to assume the existence of current Bylaws, Articles of Incorporation, resolutions, operating agreements, partnership agreements and/or other governing documents of Entity (as applicable) that authorize Entity to conduct its business with Monex and to confer upon the undersigned the power to act on Entity's behalf.

Monex is authorized to act upon the authority of this Certification and Authorization until it receives a written rescission or modification executed by the undersigned.

The undersigned represent and warrant that the representations contained herein are true, accurate and consistent with the purposes, investment policies and objectives of Entity and applicable law.

Entity and the undersigned hereby jointly and severally agree to indemnify and defend Monex and its partners, managers, employees and affiliates, against all claims, liabilities and costs incurred in the event that any of the certifications or representations contained herein are inaccurate or untrue or that arise from Monex following the instructions of any undersigned person on Entity's behalf.

The undersigned further represent and certify that there are no other persons required by Entity and/or applicable law to execute this certification and authorization on behalf of Entity. This document may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

The representations, obligations and indemnifications contained herein shall survive termination of Entity and/or Entity's accounts with Monex.
